1. Mission Statement

*To give rural and urban youth equal opportunity,
to build right careers
by providing the
highest standards of Information Technology (IT) education
and
imparting values of social responsibility.*

2. Historical Progression & Introduction

- Established in 1988 (28 years)
- Oldest Autodesk Authorised Training Center of India
- Oldest DOEACC Society (AICTE, MCIT Govt. of India) Training Centre
- A+ Rating by DOEACC Society
- Received Excellence Award from IT Minister 3 times (best out of 700 institutes)
- Received Excellence award in the area of facilities, instructions and Curriculum from Autodesk Inc., USA
- 60000 students Trained till date
- 250 Computers Network(IBM Blade server with VMware Virtualisation, etc)
- Microsoft, Redhat, Oracle, Autodesk, NIELIT, Sun Academy, Cisco Academy Partners.

Information Technology Centre (**ITC**) was established in 1988 and is now one of the largest paragon Computer Training Segments in Gujarat, India. **ITC** is able to successfully fulfill its vision through its rural location in Mogri, Gujarat. This allows youth from all areas to gain access to the high level of IT education that ITC offers. **ITC** is managed by Anoopam Mission - a non-profit, multinational charity organization aiming at the upliftment of society through various social welfare projects. ITC is run by the Saints of Anoopam Mission, who are pivotal in encouraging a sense of moral and cultural responsibility.

We firmly believe that the student, in essence, is a raw material and has to be molded into a product. Such a great transition requires a perfectly designed teaching methodology. It is an accepted truth that conventional teaching methods are unable to deliver the high standards which the IT industry expects. Through our years of teaching experiences, constant student observations, student evaluations and consultations with industry members and academics, we have been able to design our own original and innovative teaching methodologies. These methodologies have resulted in Excellence Awards at National and International Levels, which immediately puts ITC's teaching methods in direct competition with other National and International IT Institutions.

Due to our dedication to deliver a high level of education, ITC graduates are well-respected by IT companies for their unparalleled IT skills and knowledge base. It is due to this commitment to deliver high standards that has permitted ITC to increase its affiliations with the IT Industry. This combination of delivering a high quality education and maintaining associations with the IT Industry automatically increases the employability of ITC graduates.

The end product of the entire ITC process results in a well-rounded graduate with exceptional IT knowledge, moral and cultural values, and a secure place in the IT industry—*Mission accomplished!*

"The Overall goal of **ITC** is to build on all aspects of a student's development, encompassing intellectual, physical, moral and spiritual growth"

4 Courses Offered

To tune with the state - of - art technology and individual socio economic condition, ITC offers a wide range of full time and part time courses. ITC courses are well designed with the rich contents that match the existing and future requirement of IT in industry.

The spectrum of courses covers a garden variety of participants including school - college students and their parents too. Besides this ITC also under take corporate training for industries in a various sectors.

Course	Details	Job Opportunity
NIELIT 'A' Level (1.5 Yrs.Full Time)	Website Development Tools (JAVA, AJAX, .Net, PHP, Dreamweaver, CSS, HTML, Scripting Language), Internet Marketing, SEO, Software Design & Testing, DBMS, DS. PC Architecture, UNIX, C Networking, IT	Programmer, Software Tester, Asst. Project Manager, Web Developer & Admin. , Trouble shooter
NIELIT 'O' Level (1 Yr.)	Multimedia, Website Designing, .NET, C, PC Maintenance, IT Infrastructure Concepts	Junior Programmer, Web Designer, Tester
Network Management (250 Hrs)	A+, N+, MCSE, RHCE, CCNA, Web / video Conferencing, Webinars and Net meeting, Web Streaming, Private Cloud, VOIP Facility, EPABX, VPN Connectivity, Firewall-IP based Security CCTV Camera, Webhosting, Email Services, Motion, Smoke, Door Detectors, Data Backup and Disaster Recovery, Antivirus solution (Kaspersky), Asset management Server, Hardware Complain Management, Publication-Graphics and Animation, Website Design and Development, Biometric Attendance System, Electronic Access Door Lock	Network Engineer, System Engineer, Server Admin Network Administrator, Network Architect, Network Technician, Network Security Engineer
IT Infrastructure Awareness Program (20 Hrs)	Cloud computing, SAN and NAS storage, Firewall, Bandwidth, Backup & Disaster Recovery, Antivirus, IT Asset management, VoIP, video conferencing, Net meeting, Security, Facebook, Twitter, Google, Orkut, Skype, Webinars, e-payment etc.	
Hardware Repairing (250 Hrs)	SMPS, Printer, Monitor, Storage Drive, Motherboard Debugging, Laptop, LCD Monitors	Hardware Maintenance Manager, Service Engineer Hardware Configuration Manager, Security Hardware Engineer, Hardware Technician, Hardware Support Engineer

Multimedia (250 Hrs)	Documentary Corporate Films, Business Presentation, 360 Virtual Tour, Video Editing, 2D, 3D, Rendering, Texturing, Animation, Rigging, Lightning, Audio and Video Streaming and Editing (3D Studio, Adobe Premier, After Effects, Combustion, Elastic Reality, Photoshop, CorelDraw, Sound Forge, MS-Office)	Art Director, Creative Director, Graphic Designer, Multimedia Software Engineer, 3D Artist
Website Designing 250 Hrs	HTML, Photoshop, CSS, Dreamweaver, Flash, Internet Marketing Concepts,	Website Designer, Web Architect, Content Manager, Analyst, Master, QA Engineer
Internet Marketing (20 Hrs)	Search Engine Optimization & E Payment	SEO Marketing Manager Internet Production Coordinator, Digital Marketing Analyst, Marketing Engineer
Website Development (60 Hrs)	JAVA, .Net, Share point, Silver Light, PHP, Ajax, Zoomla ASP	Dynamic Websites, Social Networking Websites, Browser based Business Application, Network Monitoring
Mobile Application Development (100 Hrs)	Android, Blackberry, Windows, iPhone (IOS, Java, Ruby, Python, Obj-C, Markup, C#)	Mobile Software Developer & Engineer, UI Developer, Mobile Client & Web Developer
Programming Language (100 Hrs)	C, C++,	Embedded Principal Firmware Developer, Embedded Application Engineer, Anti-Virus Software, Game Software, Operating System Software, Hardware Interaction
Tally ERP 9 (125 Hrs)	Manufacturing, Accounting, Production, Planning, Inventory, Order Processing, HRM, Payroll, ERP, CRM, SCM, Web Portals etc.	Assistant Accounts, Account Executive, Account Manager, Treasury Support, Accountant, Assistant General, Manager
e-Governance (Statutory Returns) (50 Hrs)	Submission of statutory returns through government websites TDS, Service Tax, VAT, Income Tax, etc	
CAD and Modeling for Architects & Engineers,	AutoCAD, Inventor, Revit, CREO, ANSYS (2D, 3D, Texturing, Animation, Lighting, Analysis)	CAD Designer, CAD Engineer, Tools & Die Maker, CAD Administrator

150 Hrs		CAD Documentation Specialist, CAD Technician,CAD Operator
Database Technology 150 Hrs	OCA, OCP, OCM (Oracle, MS SQL, My SQL, Access)	Database Manager, Analyst, Architect, Administrator
Graphics (Print and Publishing) 100 Hrs	Logo, Brouchers& Banner Designing, Business Stationary, Photoshop, Corel Draw, Page Maker, Illustrator, Indesign, MS Office, Business	Graphic Designer, Graphic Artist
Live Project Training 150 Hrs	SRS preparation, Databases schema design, Screen layouts and navigation, Advanced knowledge of development, Integration with existing system, Preparation of test date & testing, Deployment issues, Professional documentation, Slides preparation, Presentation speech	Project Manager, Project Leader, Project Coordinator
Corporate Training As per requirement	ERP : Operator & Developer, Collabrative Solution : Custom build solution containing features like e-mail, calendaring, contacts, task management, document sharing, project tracking, user forums, knowledge base, Mail server Solutions, Linux Server Solutions, Remote Server Management, Network & Database, Storage Performance	

Diploma Courses Offered (Duration 4 to 6 Months)	
Diploma In Hardware And Printer Repairing	IT Concepts & PC Utilization, Supply Regulating Devices + SMPS (AT, ATX), Display Device (Monitor, LCD, LED), Printer (Dot Matrix, Ink-jet, Laser), Motherboard & Peripherals, PC Hardware & Maintenance (A+ Certification Syllabus), LAPTOP Repairing, PC Assembling & Troubleshooting
Diploma In Networking	A+, N+ (Networking Technology), MCITP, RHCE, CCNA, Virtualisation
Diploma In Software Engineering	C, C++, JAVA, PHP, ASP.NET, ADV. NET, C++, WPD, Oracle, Android
Diploma In .Net/Java/PHP	<ul style="list-style-type: none"> • .Net : ASP.NET, C++. NET, LINQ, JQuery, Alax, Silverlight, Web Services, SQL Server Connection • Java : Core Java, JDBC, JSP, SERVLET, SWING, RMI, J2EE, STRUCT, HIBERNATE • PHP : HTML 5, CSS 3, Javascript, PHP, MySQL, Framework, Wordpress, Photoshop
Diploma In Mobile Application Development	C, Cpp, Java, WPD Course, Exposure of DBMS-SAD-OS- Networking, Programming of iPhone / Android / Blackberry, MS-Project, Development Project
Diploma In Multimedia	<p>Graphics : PhotoShop, Corel Draw, Illustrator, Web & 2D Animation : Flash, Dreamweaver, HTML</p> <p>3D Studio Max,</p> <p>Maya : Maya is used for creating professional movie effects. It is used by professionals worldwide for creating 3D animations for gaming as well as movies.</p> <p>Sound & Video Development & Mixing : Sound Forge, Adobe Premiere, Combustion</p> <p>Effects: Visual Effects, Light Effects, After Effects</p> <p>In House Project</p>
Diploma In Professional Web Page Designing	SEO & Internet Marketing Course, Scripting Languages (Java script, Ajax, JQuery), DHTML, XML, ASP .Net/ Java / PHP, Project
Diploma In Office Automation	MS Office, DTP, WPD, Project, C Programming OR PC Maintenance OR Tally

Diploma In Industrial Account With Tally Erp.9	Business Computer Application, Billing Term, Manual Accounting, Financial Statements, Vat & CST -Provision & Accounting treatment, Service Tax, Income Tax, Export - Import Documentation & Procedure with banking and Government, Provision & Computation, Payment & Refund Procedure, Preparation Pf Income, Tax Return-ITR 1,2,3,E-Filing Of income Tax Return, Real Life Project On Computation & Filing.

5. Facilities and IT Infrastructure

ITC provides infrastructural services which are in line with Industry. To cope up with Industry requirements, ITC creates industry environment by providing appropriate Hardware/software. Students at ITC have also the opportunity to occupy themselves with productive activities during free time at places such as the library, prayer hall, reading hall, and more.

IT Infrastructure	Other amenities
<ul style="list-style-type: none"> ● Web / Video Conferencing ● Webinars and Net meeting ● Web Streaming ● VoIP Facility ● Private Cloud ● VPN connectivity ● Data Backup and Disaster Recovery ● Firewall - IP based Security and Surveillance ● Webhosting ● Email Services ● EPABX ● Server based detectors ● Antivirus solution (Kaspersky) ● Asset Management Server ● Hardware Complain Management ● Sound and Video Editing ● Publication - Graphics and Animation ● Website Design and Development ● Biometric Attendent System ● Student Request System ● Help Desk ● Classroom Co-ordinator ● Lab Co-ordinator ● Admission and Scheduling ● Certificate Printing and Issue 	<ul style="list-style-type: none"> ● Prayer Hall ● Career Counseling Desk ● Helpdesk ● Reading Hall ● Laboratory / Class Room / Presentation Room ● Library ● Canteen / Pantry ● Stationary Store / Xerox / Lockers ● Playground / Parking

6. IT Data Centre & IT Infrastructure

Hardware, Networking and Electronics Equipment's Details

In present scenario network has become an asset for any organization. **ITC** is an educational Institute and has a goal to produce Industry compatible product in order to reduce the gap between Industry and Education. To fulfill this goal and to have a live industrial working environment, **ITC** has adopted new, techniques like wireless networking, fiber optics connectivity, structure ,cabling and much more since last few years and has developed a rugged and high speed multi environment network. Now a day corporate sectors need information at fingertips at higher speed with high security and large storage. To fulfill the present need, new technologies in the field of networking have evolved like video conferencing, VoIP with high speed band width is supported by wireless technique, fiber optics connectivity and many more.

ITC has added IBM-Blade Server, VM Ware Virtualization & bunch of virtual servers into its hardware family

Our IT Infrastructure, consists of

Sr No	Type	Quantity
1.	IBM Blade Servers - IBM DECENTRE S CHASSIS FSC HS 22 XEON QC, 2.4 GHZ, FSC XEON QC E5530, 2.4 GHZ, IBM ULTRASLIM ENHANCED, SATA, SAS RAID CONTROLLER, 2 GB SINGLE RANK PC3, ECC DDR (4), 146G 10K SAS SLIM HDD, Battery backup unit for, SAS Controller	8 Virtual Servers
2.	Servers (HP Proliant ML 150 G3)	3
3.	Client Nodes (Core i7 / i5 / i3 / Dual Core / Core 2 Duo)	250
4.	Network Storage <ul style="list-style-type: none"> IP/SAN Box - 3TB EMC2 SAN Box with Storage 2U DP DPE W 6 500GB, DRS 1 TB Firewire Maxtor 1 TB External USB/ Storage, FireWire Storage with Fire Wire Card D-Link NAS Box 3TB & IOmega 	10 TB
5.	Peripherals (Laser Printer (Color & B/W), Inkjet Printer, Scanners, FAX, Bluetooth, Infrared)	30
6.	Structures Cabling Components <ul style="list-style-type: none"> CISCO Router and Switches - 1700 Series, 2901, 2600, 2960, L3 3560, 3600 L2 Managed Switch - Linksys - 24 port 10/100/1000 Mbps with 1G Multimode GBIC Card - 2 nos. 24 port GBPS Switch - Linksys - 24 port 10/100/1000 Mbps Patch panel , Patch Cord, Switch Rack 42U 	20
7.	Fiber Networking	
8.	Wireless Indoor and Outdoor Point to Point Connectivity & IP Telephony	
9.	Backup and Disaster Recovery Solution (EMC2 Restrospect)	
10.	Security - Cybroam 50i - UTM (Firewall, VPN, Antivirus, Bandwidth Management, Anti SPAM, Load balancing, for Multiple ISP, Intrusion Detection and Prevention for CR50i, VPN Client for CR50i)	
11.	Power Supply (Stable, 3 Phase with Isolation Transformer) UPS - Online and offline 35 KVA Generator with Auto Panel	

7. Achievements

ITC has garnered international acclaim for its high standard of IT courseware and teaching. Its success relies on the incredible combination of various affiliations, courses, and facilities that the ITC provides. The methodology by which ITC executes all tasks concerning these three categories streamlines and optimizes the workflow, providing a worthwhile experience for all those involved. This methodology has led to a number of recognitions and awards from several IT organizations.

- **2017-18: ITC get Autodesk Award for maximum Number of Certification**

- **2015-16: ITC get affiliation of PTC (Authorised Training Centre of PTC)**

- **2014-15: ITC provide franchisees**
 - **Ode Education Society, Ode,**
 - **Shri 42 Gam CharotarPatidarKelvaniMandal, Khambhat**
 - **Gyanjyot Computer Centre, Khambhat**

- 2013: ITC is 1st ranked in Gujarat State by Tally Academy.
- 2012: ITC is 1st ranked in District and 2nd ranked in Gujarat State by Tally Academy .
- 2010: 100% Result in Programming in C Language of DOEACC 'A' Level.
- 2007: Mr. Divyesh K. Sangani of ITC Selected as one of "Advisory Board Members" of Autodesk Inc., USA
- 2007: ITC conferred for the Award of Instructor from Autodesk
- 2005: Since 1995, Every Year, ITC is conferred with "Commendation Certificate" by DOEACC Society
- 2004: ITC Conferred with "Award for Excellence in Electronics" by MCIT (formerly DoE), Govt. of India Recognizing ITC as the Best run "O" Level Institute for the year 2002-2003
- 2004: A+ rating by DOEACC Society.
- 2001 : ITC's DOEACC "O" Level Trainee of 1999-2000 batch Ms. Hetal Panchmatia achieves the first position in the National Project Competition organized by DOEACC Society at Pune
- 2001: ITC Conferred with "Award for Excellence in Electronics" by MCIT (formerly DoE), Govt. of India recognizing ITC as the Best run "O" Level Institute for the year 1999-2000
- 1998: Rotary Club of Anand, a member of Rotary International has awarded "A Certificate Appreciation" to Mr. Divyesh Sangani, in recognition of his excellent vocational services to the society
- 1998 : ITC'S DOEACC "O" Level Trainee of 1997-98 batch Ms. Gargi Patel achieves the first position in the National Project Competition organized by DOEACC Society at Chennai
- 1998: ITC conferred with "Award for Excellence in Electronics" by MCIT (formerly DoE), Govt. of India recognizing ITC as the Best run "O" Level Institute for the year 1996
- 1997 : ITC's DOEACC "O" Level Trainee of 1995-96 batch Ms. Preeti Chaudhary achieves the first position in the National Project Competition organized by DOEACC Society at New Delhi.

-
- 1992: International Awards from Autodesk Inc. USA for Excellence in the Area of Curriculum, Instruction, Facilities & Equipment.

9 Placement Details

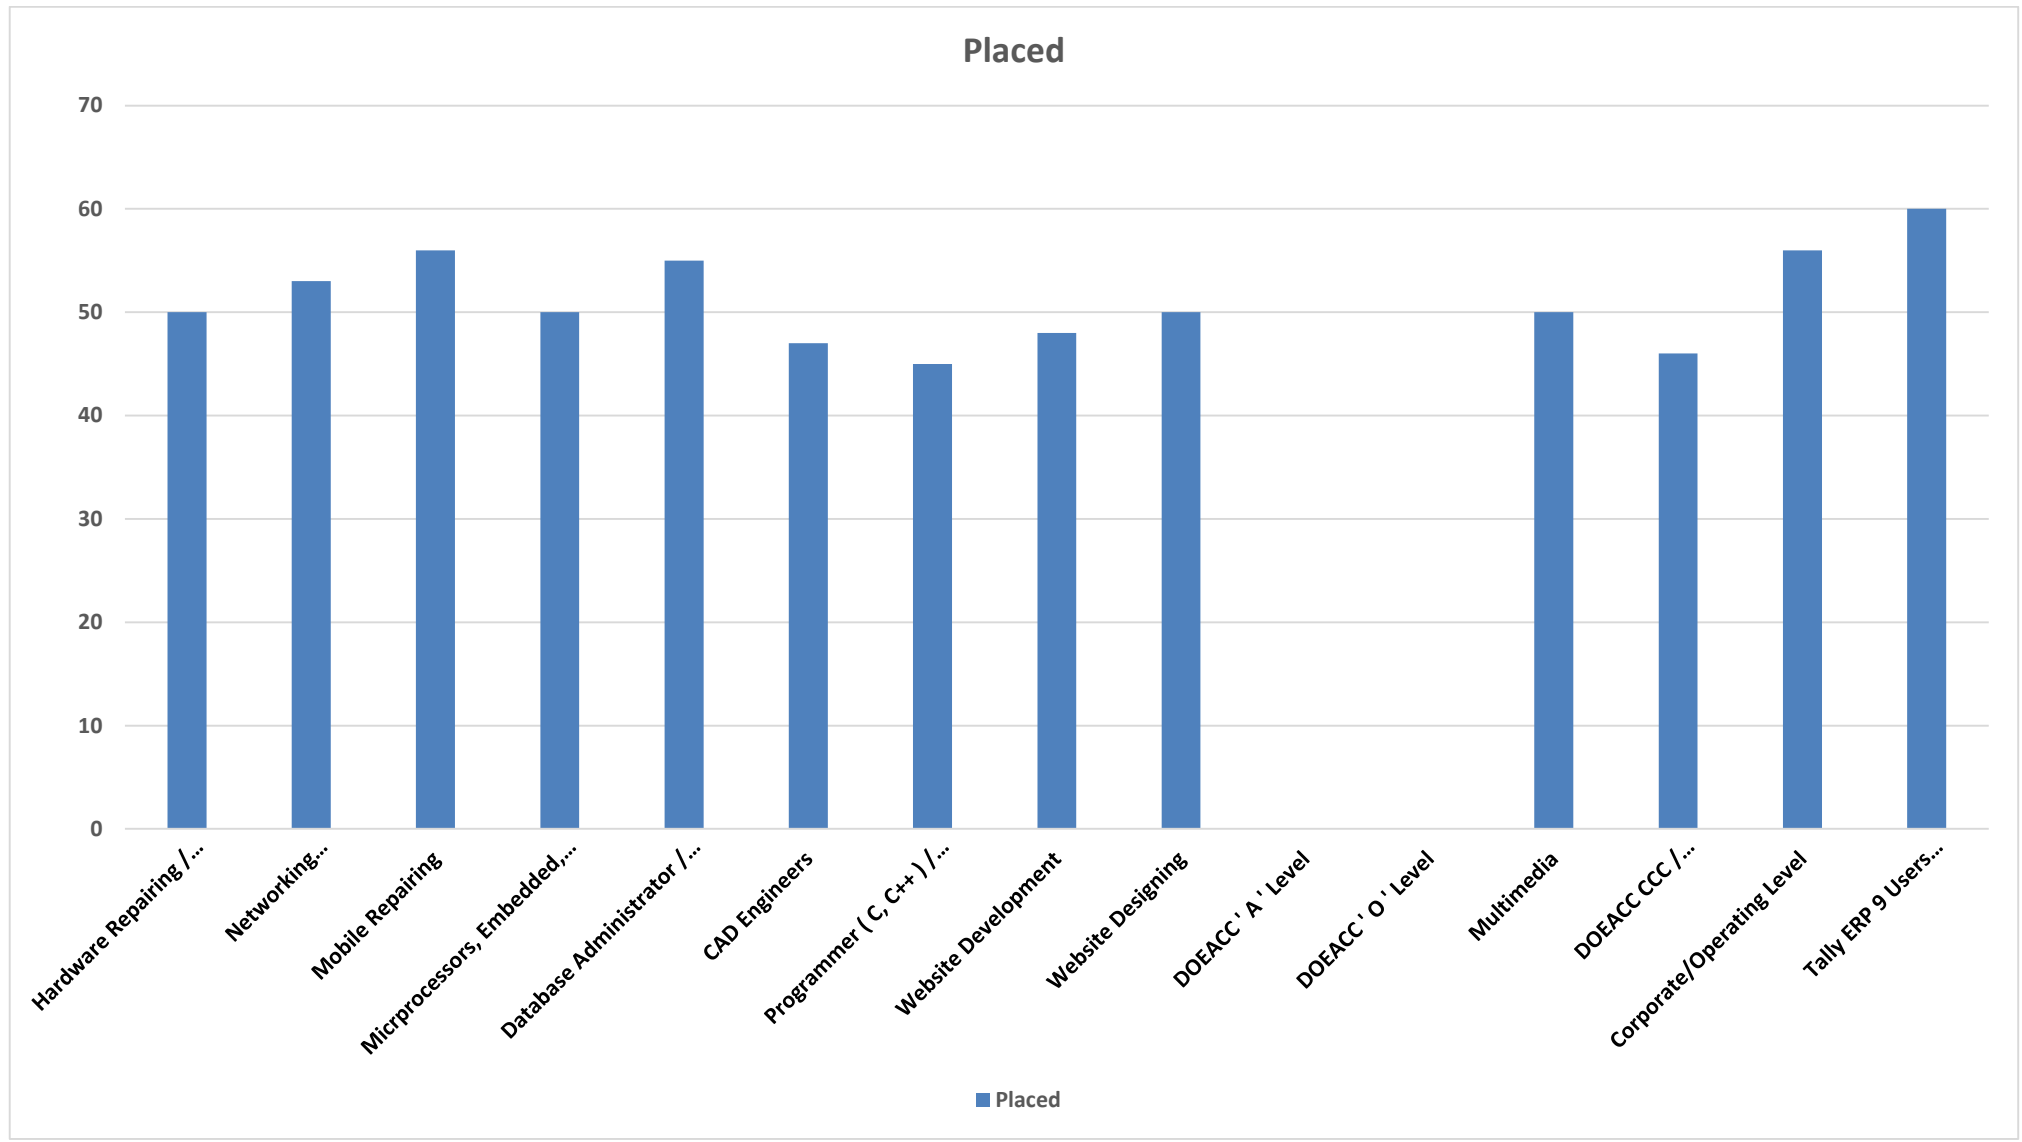

The purpose of education is predominantly career advancement. This can only be achieved when the graduate becomes more employable than their competitors. The level of employability depends on the level of education provided to the student. As can be seen from the table below, the percentage of ITC students who have attained various forms of employment has been consistently high. It can be seen that ITC has unfailingly fulfilled its objectives, providing all its students with a high level of education thereby increasing their chances of employment. Through all of this it is evident that ITC has successfully provided each and every student with the tools for them to carve a successful career for themselves. Below is a list of some of the companies that have hired ITC students.

- City of Brampton, Canada
- G8Wave Limited, UK
- Patni Computer Systems, USA
- 3i Infotech (ICICI Infotech), New Jersey, USA
- Ministry of Higher Education, Kuwait
- ORACLE, Bangalore
- Accenture, Pune
- Motorola, Singapore
- Vodafone, Pune
- bzboyz.com, Ahmedabad
- Aryatech, Vadodra
- Aditya Birla, Vadodra
- CSI Infotech, Vadodra
- WebSolution, Vadodra
- FES, Anand
- Elecon, V.V.Nagar
- Many more
